“BUCKLE UP FOR BURGERS” CLICK IT OR TICKET PROMOTION

Parma Heights – “As mayor, one of my top priorities is ensuring the safety of our residents, so I am proud to announce that the Cuyahoga County Safe Communities Coalition, in partnership with Sonic, is kicking off this year’s national Click It or Ticket campaign with “Buckle Up For Burgers” on Thursday, May 16,” said Mayor Michael P. Byrne.

If buckling up to protect yourself isn’t incentive enough, you can get a FREE burger just for pulling into Sonic’s Parma or Mayfield locations wearing your seat belt. Between 11:00a.m. and 1:00 p.m., spotters will be passing out free burger coupons to all who visit the restaurant wearing a seat belt with the goal of giving away 1,000 burgers.

Seat belts save lives...Buckle Up!
