

LEAF COLLECTION

Leaf Collection will begin mid-late October. Signs will be posted in your neighborhood as notification that pick-up should begin within the next week.

Please have your leaves brought to the curb in a timely fashion once the signs have been posted. Although it is our intent that leaf removal will occur sometime during the week following the sign posting, we ask for your patience in the event of unforeseen problems, such as weather delays.

Please remember that you are not permitted to put leaves in the street. Our workers are instructed NOT to pick up leaves that are piled in the street. Any person piling leaves in the street is in violation of City Ordinance 965.08 and a violation could result in a citation. Additionally, leaves that are mixed with grass, sticks and other debris will not be picked up. This debris will cause damage to the equipment used for leaf pick-up.
